Feng Shui Boston

Arrange your Environment to Transform Life!

What is Feng Shui?

Feng Shui is a systematic approach to your living and workspace that brings harmony to your surroundings, directs your creative and productive energies and amplifies your opportunities for success in all areas of life.

What's involved during this process?

Feng Shui is consciously designing your home, office and garden using layout, orientations, the elements (fire, earth, metal, water & wood), shapes, color schemes, lighting, sound, scents, placement of furniture, decorative objects and artwork.

What results can I expect?

By creating a greater sense of balance and harmony in the environment as well as focusing intention on specific personal and business objectives, application of these potent formulas has created the following results:

- Increased wealth & prosperity
- Career satisfaction and success
 - Awards, appreciation & recognition
 - Promotions, bonuses and salary increases
 - Support from management, colleagues, mentors
- New business opportunities & improved results
 - Ability to attract new clients & customers
 - Accelerated sales, revenues, profitability
- A more relaxed and productive work space
 - Higher employee motivation, satisfaction and retention
 - Ability to recruit new talent
- Improved relationships
 - Marriage and romantic happiness
 - Harmonious family relationships
 - New friends and a more active social life
 - Improved relationships with colleagues and clients
- Robust health of family members
- Enhanced creativity & inspiration for new projects

Mary Kathleen Stewart, CPIA

*Certified Master Practitioner
Traditional Compass School Feng Shui
Certified Practitioner of Interior Alignment
President & Founder, Feng Shui Boston, Inc. & Feng Shui Ithaca*

Mary Kathleen Stewart, CPIA, President of Feng Shui Boston, makes television and radio appearances, lectures widely, delivers workshops and seminars, writes for journals, newspapers and Internet magazines and is the Editor of a monthly newsletter, *Living with Intention!* Mary studied Traditional Chinese Compass School Feng Shui and Space Clearing with Lillian Too, one of the most highly regarded feng shui experts in the world and earned her Master Practitioner's Certification as the Institute of Feng Shui in Malaysia. A Certified Practitioner of Interior Alignment, Mary Stewart was professionally trained in *Space Clearing, Instinctive Feng Shui*, and creating *Healthy Homes & Offices* by Denise Linn, pioneer, international expert and author of *Sacred Space, Space Clearing, and Feng Shui for the Soul*. Having experienced the power of feng shui, Mary's mission is to empower you to live with intention and create the life of your dreams.

Prior to founding Feng Shui Boston, Mary began her practice of feng shui as a young executive in one of the world's largest biotech firms and turned to feng shui as a means of accelerating her career. As she gained expertise, her career skyrocketed. Within two years, putting the principles of feng shui into action resulted in a threefold increase in salary, a rise to the position of Vice President of Sales and creation of an award winning business unit that generated over \$300 million in revenues---the most profitable in the world. As her accomplishments became widely recognized, she began to counsel other executives in the principles of feng shui and several achieved a high degree of business and financial success. One of her "students" became President of the company.

Mary Stewart's work has been featured in Boston Magazine, The Boston Globe, The Patriot Ledger, Ithaca Journal, Point South Magazine, Living Well Magazine, World of Feng Shui Magazine, Environments Magazine, New England Condominium Magazine, Norwell Mariner, Angie's List, Fox 25 News; Channel 4 News (Boston); Channel 10 News (NY), Alive Body, Mind & Spirit!
